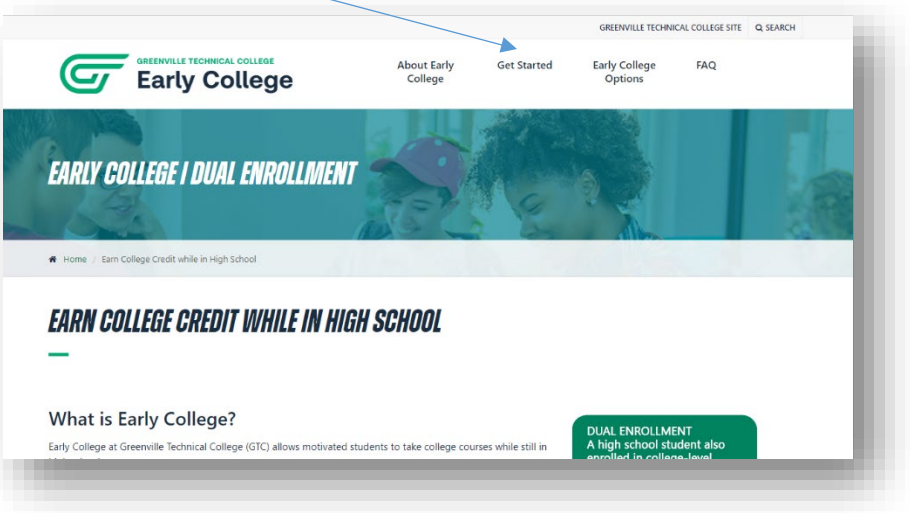
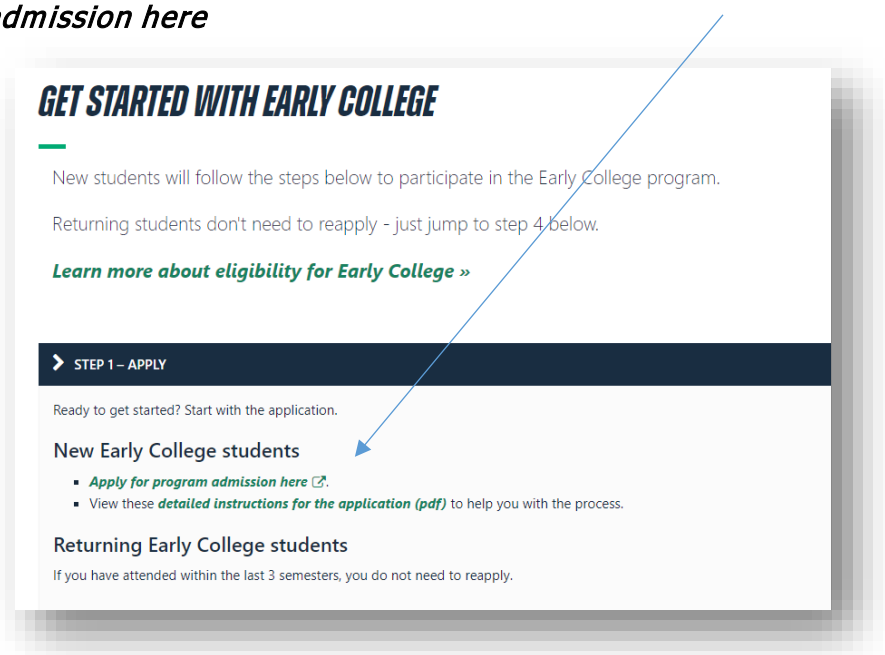
GTC Early College (Dual Enrollment) Application Process for New Students

Thank you for your interest in the Early College (Dual Enrollment) Program through Greenville Technical College. Students who are new to the program must first complete the following steps.

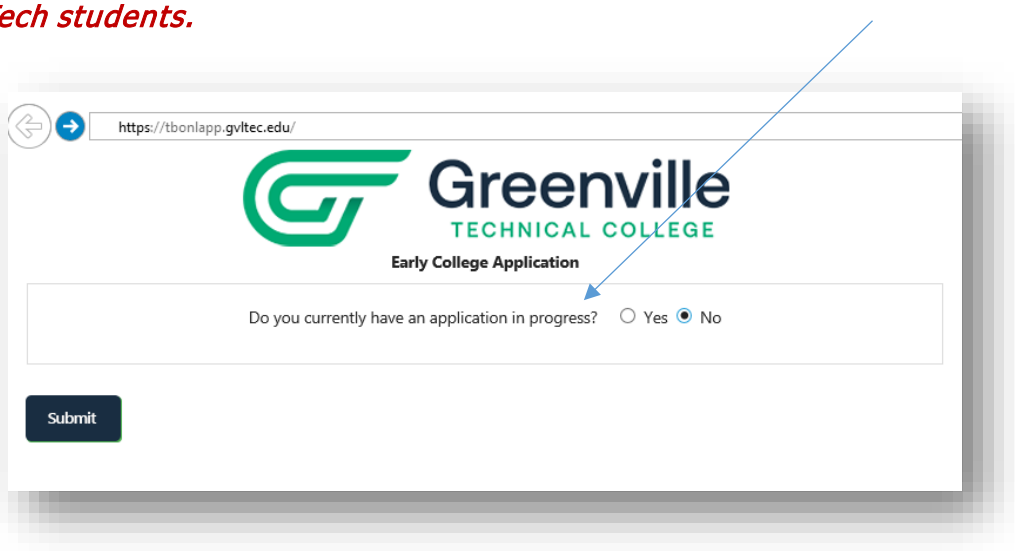
1) *Go to the Early College webpage.* https://early-college.gvltec.edu/
   Click ***Get Started*** at the top or the purple ***Get Enrolled in Early College*** button lower on the page.



2) *On the Get Started page, open Step 1 – Apply, then click* ***Apply for program admission here***



3) *The following Online Application will be initiated.* ***Make sure it says Early College Application as this looks very similar to the application for regular Greenville Tech students.***



4) In the screenshot below you are creating a student profile and password for the application. *You are asked to type in a password only one time, so please type carefully and record your entry in a safe place.*

The links above provide instructions and access to the online enrollment form where you will identify the specific courses you would like to take. [Please select the correct form for your category] These links are also available on the Get Started web page (under Step 3 – Enroll in Classes) and can always be accessed there later. The enrollment form is also the way to add, drop or withdraw from courses you have previously requested.
